

In case of fire alarm - call 110

This building has direct notification to the fire department

In case of fire alarm call **110** immediately within 90 seconds.

They will assist with:

- Reading out correct information from the fire alarm panel
- Locating where in the building the alarm is triggered
- Giving you advice in case of fire or smoke
- Resetting the alarm in case of unnecessary alarm

Local fire instructions must be followed.

Fire drills, testing and other non-emergency inquiries, call 51 91 85 20

A fee for unnecessary callout can be issued if called after 90 seconds

Ved brannalarm ring 110

Brannvesenet blir varslet ved utløst alarm, ring 110 for veiledning og råd

Gebyr ved unødig utrykning kan inntreffe om man ringer etter 90 sekund
